

# SCUPSTATE RESEARCH SYMPOSIUM

**WHAT?** 15<sup>th</sup> Annual SC Upstate Research Symposium: Scholarly presentations and posters by faculty & students. Colleges and universities

that have participated in the past include Claflin University, Clemson University, Coker College, College of Charleston, Converse College, Davidson College, Florida Institute of Technology, Francis Marion University, Furman University, Gardner-Webb University, Georgia Institute of Ecology, Greenville Technical College, Lander University, Limestone College, Medical University of South Carolina, Midlands Technical College, North Greenville University, Presbyterian College, Sherman College of Chiropractic, Southern Wesleyan University, Southwest Louisiana University, Southwest University of Science and Technology – China, Spartanburg Community College, Spartanburg Methodist College, Stetson University, Trinity Washington University, UC Berkeley, University of Georgia, University of Iringa – Africa, University of Kentucky, USC Aiken, USC Columbia, USC School of Medicine Greenville, USC Upstate, University of Tulsa, Virginia Tech and Wofford College.

## WHO?

Attended by college faculty and students, as well as regional business and community leaders. High school student groups are also encouraged to attend.

## WHY?

The symposium provides a forum where both faculty and students can interact to discuss and share information regarding their research, scholarly and/or creative endeavors with each other, local high schools, and a variety of business and community leaders.

## WHEN?

Friday April 12<sup>th</sup>, 2019; ≈ 8am-6pm. Groups can leave early if necessary.

## WHERE?

The USC Upstate campus in Spartanburg will host the event. **Lunch & refreshments are provided.**

## CONTACT?

For more information, please visit the symposium webpage at <http://www.uscupstate.edu/Symposium> or contact the Symposium Chair, Dr. Melissa Pilgrim, [mpilgrim@uscupstate.edu](mailto:mpilgrim@uscupstate.edu), (864) 503-5781. We look forward to seeing you in April!
