Now accepting applications for
U.S. Department of Homeland Security (DHS)
Domestic Nuclear Detection Office (DNDO)
Summer Internship Program

The U.S. Department of Homeland Security (DHS) Domestic Nuclear Detection Office (DNDO) Summer Internship Program will provide opportunities for undergraduate and graduate students to participate in projects focused on helping DNDO meet its mission of “implementing domestic nuclear detection efforts for a managed and coordinated response to radiological and nuclear threats, as well as integration of federal nuclear forensics programs.”

Ten-week research experiences will be offered at federal research facilities located across the U.S.

Undergraduate students receive a stipend of $600 per week plus travel expenses.

Graduate students receive a stipend of $700 per week plus travel expenses.

Areas of research: Engineering, earth and geosciences, computer science, mathematics, physics, chemistry, biological / life sciences, environmental science, and more.

U.S. citizenship required

Application deadline: March 16, 2015, at 12:00 AM

Additional information and how-to-apply instructions can be found at: https://www.zintellect.com/Posting/details/824

DNDO has partnered with the Oak Ridge Institute for Science and Education (ORISE) to manage the program. For questions please email us at dhsed@orau.org
